Southwest Research Institute (SwRI) is an independent, nonprofit research and development organization founded in 1947 to support industry, business and government.

The manufacturer whose name appears below is qualified under the Listing, Labeling, and Follow-up Inspection Services Program established by SwRI as furnishing Flameshield® fire resistant aboveground storage tanks. The manufacturer is therefore authorized to use this document as proof of its compliance. Such representation certifies that the product under this Program is manufactured in compliance with the requirements established by SwRI for this product.

**DOCUMENT NO.:** SwRI Reference No. 00077-01/100-01

**PRODUCT:** Flameshield®

**MANUFACTURED BY:** Participating members of the Steel Tank Institute

**LOCATION:** North America

**APPLICATION:** Representative samples have been tested under SwRI Project No. 01-2632 in accordance with procedures and guidelines as shown on the label below.

**LABEL MARK:** The Label Mark shown below is the only one authorized for application to this product.
